Sheffield, IA 50475

To Whom It May Concern:

Graduation is just around the corner and North Iowa Oral Surgery is once again offering a scholarship for eligible senior students.

North Iowa Oral Surgery is a group of oral & maxillofacial surgeons who serve North Central Iowa. We are offering a scholarship award, which will provide two deserving high school seniors, who plan to pursue a career in the field of medicine, dentistry or nursing. A yearly award of \$1000, which is renewable up to a maximum of 4 years of undergraduate study.

Our purpose and mission in offering this program, is that we feel strongly that a student's education is the most powerful force to provide them with the tools for their best possible future, and hope that in some small way, we can help these students achieve their educational goals and career dreams.

We as surgeons understand the value of education and have been lucky to have individuals help us reach our professional goals. We wish to return that favor to students in our communities.

We would be grateful if you could make this opportunity known to your graduating high school senior year students and provide them with an application should they desire.

A copy of the application can be downloaded from our website:
nioralsurgery.com and click on the Scholarship Award tab
Applications need to be post marked no later than **April 1, 2017**.

If you have any questions regarding this program, please feel free to contact our office at any time.

Sincerely Yours,

Lyell Hogg, DDS
President
North Iowa Oral Surgery
